

Dear colleagues,

We invite you to participate in the **BETA 2018 competition** - one of the main events with an euroregional opening (RO, HU, SRB) from the Timișoara architecture biennial BETA, organized by The Romanian Order of Architects - Timiș Territorial Branch.

The BETA competition and its related exhibition supports and promotes quality architecture in all its forms and manifestations, being conceived as a relational interface both within the profession and between the profession and the socio-cultural environment in which it operates.

The competition is open to all those who contribute to the creation of quality architecture in the Euroregion (RO,HU,SRB), of which architects, urbanists, landscape architects, scenographers, light artists, graduates of architecture / interior architecture / urban planning / visual arts / design, engineers, IT-ists, public administrations, NGOs, sociologists, psychologists, critics, theorists, philosophers, etc.

Participants can submit works realized in the past two years (finalized projects / proposals / projects that reinterpret the role of architecture, including essays on housing) in the following six categories: 1.Built space, 2.Interior space, 3.Public space, 4.Graduation projects, 5.Initiatives / Experiments / Visions in architecture and 6.Architecture essays.

For entering the competition, the participants will consider the following two deadlines: August 1st (for 1-5 categories) and September 10th (for category 6).

The competition is open to the DKMT* euroregion (for 1-3 categories), as well as to the three neighboring countries - Romania, Hungary and Serbia (for 4-6 categories).

The jury consists of: Attila Kim, Irina Cristea, Grozdana Šišović, Levente Szabó and Oana Stănescu for categories 1-5 and Catherine Slessor, Ethel Baraona Pohl and Tamar Shafir for the Architecture essays category.

More information on the competition is available on our website:
