**ONLINE FLOOD RELIEF AUCTION TO AID AUSTRALIAN VICTIMS**

Numerous architects and architectural institutions worldwide have rallied to the aid of the victims of the catastrophe that hit northern Australia at the beginning of January following the violent floods that devastated the State of Queensland.

Drawing by Toyo Ito

In support of the victims, several renowned architects have donated unique items for auction by the Australian Institute of Architects. Among them, a print signed by Lord Richard Rogers and a sketch by Toyo Ito.

The online auction is organised by the Australian Institute of Architects on its web site, ending 2 March next. All proceeds from this auction will be donated to the Salvation Army flood relief appeal.
